PRESS RELEASE**Holly Energy Partners, L.P. Announces Pricing of \$500 Million of Senior Notes Due 2028**

DALLAS, TX, January 21, 2020 — Holly Energy Partners, L.P. (NYSE: HEP) (the “Partnership”) announced today that it and its wholly owned subsidiary, Holly Energy Finance Corp. (together with the Partnership, the “Issuers”), have finalized the terms of their previously announced offering of \$500 million in aggregate principal amount of 5.0% senior notes due 2028 (the “2028 Notes”) in a private placement under Rule 144A and Regulation S of the Securities Act of 1933, as amended (the “Securities Act”) to eligible purchasers (the “Offering”). The 2028 Notes will be issued at a price equal to 100% of the principal amount thereof. The 2028 Notes will initially be fully and unconditionally guaranteed on a senior unsecured basis by the Partnership’s existing wholly owned subsidiaries (other than Holly Energy Finance Corp. and certain immaterial subsidiaries). The Offering is expected to close on February 4, 2020, subject to customary closing conditions.

The 2028 Notes and the related guarantees have not been registered under the Securities Act, or any state securities laws, and unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The 2028 Notes will be offered only to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to persons outside the United States pursuant to Regulation S under the Securities Act.

This press release does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
